Jim Kostuch  
Traincan Inc.  
85 Scarsdale Road, Suite 101  
Toronto, ON M3B 2R2

This is to advise you that we have evaluated the curriculum and exams for both the *BASICS.fst* and *ADVANCED.fst* food safety programs.

We are pleased to inform you that the *BASICS.fst* and *ADVANCED.fst* do meet the Manitoba Health requirements for food safety training. We have therefore decided to grant approval to proceed with offering these courses in Manitoba.

In order to receive the 'Manitoba Health Food Handler Training Certificate', we require Traincan to submit the contact information for individuals who have successfully completed either program, along with the \$36 fee. We will then enter their details into our food handler training database and issue them our certificate. This certificate is valid in Manitoba for 5 years.

Please contact Paige Hartle, the clerk for our food handler training program at 204-945-3705, or toll free at 855-236-1566. She can assist you in registering as a contractor, and can explain the process for submitting the student details.

Should you have any further questions, please contact Mike LeBlanc at 204-788-6726.

Sincerely,

Peter Parys  
Director, Food Protection
