Ottawa, Ontario.

Wednesday November 2, 2016

**Train-The-Trainer  
Food Safety  
Training Is  
Important To My  
Business!**

Give your trainer/managers the confidence and the knowledge to make the best food safety training presentation to your staff everyday in your operation. Keep your customers and your business safe.

**What are the benefits?** This highly interactive training program is suitable for experienced and beginner level trainers. TrainCan, Inc.'s Train-The-Trainer Food Safety Training Program teaches the fundamentals of adult learning patterns and effective teaching techniques while providing course participants with a forum for practicing and improving their teaching skills. Take control of your food safety training requirements by becoming a certified food safety trainer. In-house food safety training can reduce costs, improve productivity and employee morale. **Take advantage of increased flexibility of training delivery by bringing food safety training in-house – teach when you want and create customized curriculum specific to your business! Keep your customers and your business safe while meeting Provincial Food Safety Requirements.**
