

TrainCan Food Safety Train-The-Trainer

Toronto, Ontario Thursday Oct 27th, 2016

Train-The-Trainer Food Safety Training Is Important To My Business!

Give your trainer/managers the confidence and the knowledge to make the best food safety training presentation to your staff everyday in your operation. Keep your customers and your business

What are the benefits? This highly interactive training program is suitable for experienced and beginner level trainers. TrainCan, Inc.'s Train-The-Trainer Food Safety Training Program teaches the fundamentals of adult learning patterns and effective teaching techniques while providing course participants with a forum for practicing and improving their teaching skills. Take control of your food safety training requirements by becoming a certified food safety trainer. In-house food safety training can reduce costs, improve productivity and employee morale. **Take advantage of increased flexibility of training delivery by bringing food safety training in-house – teach when you want and create customized curriculum specific to your business! Keep your customers and your business safe while meeting your local Public Health's Food Safety jurisdictional requirements.**
